Pascagoula River Audubon Center- Junior Naturalist Corps 2017-2018 Application

PRAC Junior Naturalist Corps 2017-2018 Application

Our Junior Naturalist Course is all about our Coastal Ecosystems- we'll do some classroom learning, field trips, hands on projects, and have a lot of fun. We hope students gain: an appreciation of the amazing biodiversity our Coast has to offer, new ideas about careers and career paths in the field of natural resources and environmental science, experience working indoors and outdoors with the public, new skills and abilities related to invasive species removal, native plant gardening, animal care, and more; and a group of new friends.

Open to students in grades 7-12 (academic year 2017-2018).

- *Applications and Recommendation forms are due by 5 p.m. on Wednesday, September 27th to eparker@audubon.org or attn: Erin Parker, 5107 Arthur St., Moss Point, MS 39563*
- **Incomplete and/or late applications will not be considered for participation in our Junior Naturalist Corps.**

Directions: Please answer each question thoroughly, in complete sentences. Give us a sense of who you are and what you hope to accomplish by participating in our Junior Naturalist Corps program.

| 1. | How did you hear about the Junior Naturalist Corps? |
